FIRE DEPARTMENT MEETS.

Interesting Session Held Last Night. Delegates to Convention.

The fire department toot last night at the city ball, with a mood attendance of volunteer and paid firemen. Chief Slaughter presided, with Secre tary John McClandon at the desk.

After the usual preliminary business. relative to opening the meeting, the object of the meeting was stated. The meeting was called for the purpowe of electing delegates to attend the National Firemen's Convention which is to be held at Roanoke, Va., on the 14th and 15th of August. Chief. L. C. Shaughter, Assistant Chief Bert Parker and Secretary John McClendon were elected as delegates to attend the convention and represent the Ardmore fire department. These gentlemen will Convention is to bring together the fire fighters of the United States, in a meeting at which subjects relative to a betterment of the fire fighting conditions now in vogue. This meeting is home from a visit with Mrs. W. S. held every year, and much is done to ald in the improvement of the method of the fighting. At the meeting some of the most famous firemen in the world will be in attendance. The city council has received a letter from John D. McNeil of St. Louis, president of the Natioanal Firemen's associationwhich asks the council to appropriate money for the purpose of sending either the chief of the department or some other good fireman to the convention. In his letter Mr. McNell states that in his colulor the convention of national firemen is very instructive to attendants and fits the firemen to instruct the department to which he belongs in matters that are for the good of the department. The council has taken no action in the matter but will bring it up at the next regular meeting.

WHAT THEY CAN DO

Day How Fast They can Work.

It has been spoken of and the plan probably will be carried out that the fire department make a substantial test of what it can do, before the big L. W. Cruce, was driving home from crowd which will be here during the reunion and statebood celebration. It is the purpose of the department, should the reunion and statehood comand he began a mad run. The little mittees agree to the plan, to have erected a frame house about 10x12 feet, somewhere on Main street, and on one day of the celebration to set this aftre, and make the con to exsucceeded in storoing how had not a tingush the flames. The departments are proud of what they can do in the way of fighting fire and are willing to make a test before the largest crowd which Ardmore has ever bad. This proposition will be premuted to the arrangements and entertainment committees, by the department, and in all probability the test will be made. It will be very interesting, in fact one of the most interesting perfe of the program.

J. B. Brady Injured.

J. B. Brady, manager of the Keel & Son Grain company of this city, received a severe injury Wednesday atternson. He was in the grain wagon, which was heavily loaded, when the driver turned too short tipping the wagon over. Mr. Brady fell forward and under the horses heels. The animals becoming frightened attempted to run, and caught Mr. Brady's leg between the single tree and the pole, bruising it considerably. He was confined to his bed yesterday, but is on the streets today. The injury is very painful and will keep Mr. Brady on crutches for some time.
